whether it is a fact that in most Western Cities, our consulates grant visas the same day;

whether receipt of visa applications has been outsourced in some cities abroad; and

how does Government ensure that the tourists are getting good service?

THE MINISTER OF TOURISM (SHRIMATI AMBIKA SONI): (a) Yes, Sir. However, at present, Ministry of Home Affairs has not agreed to the proposal regarding Visa-on-Arrival scheme due to the prevalent security scenario.

Indian Missions abroad including those in Western cities grant visas expeditiously in keeping with the relevant norms. Visas are granted on the same day or the next day of the receipt of application except in the case of applications which require prior approval of the Government.

Yes, Sir. At present 24 Missions/Posts have already started outsourcing of collection of visa application forms.

Tourists intending to visit India are provided prompt and courteous services when they visit Indian Missions/Posts abroad for seeking Indian visas.
